Direction to Yang Yang at UCLA
Our New Address is shown below

From North: (San Francisco, Santa Barbara...)

Take Freeway 405 South

Take Wilshire Blvd Exit (toward East, or the second exit of Wilshire Blvd Exit.)

Turn left at Westwood Blvd. (It is the 3rd set of traffic light from the 405 freeway exit).

After five sets of traffic lights, the parking service is located at your left-hand side.

Please pick up (or purchase) the parking permit and proceed to Lot #9, which is located at your right hand side. This is the parking lot next to Engineering-4 building. The access to the ground level is on the Level-3. Once you leave Park lot (please exit from north side, or the exit near the engineering buildings), please follow the map in the next page to my office or lab.

My office and lab is located at the following address.

From South: (LA Lax, San Diego...)

Take Freeway 405 North

Take Wilshire Blvd Exit (toward UCLA direction, or the first exit of Wilshire Blvd Exit.)

Turn left at Westwood Blvd. (It is the 3rd set of traffic light from the exit of 405 freeway).

After five sets of traffic lights, the parking service is located at your left-hand side.

Please pick up (or purchase) the parking permit and proceed to Lot #9, which is located at your right hand side. This is the parking lot next to the Boelter Hall. The access to the ground level is on the Level-3, and you can access to the Boelter Hall from Level-3.

My office and Lab are located at the following address.
